Once in a while, you need our help and we don't have your contact e-mail. CBA 40's cancellation due to coronavirus is an example of last minute need. Please keep us up to date with your telephone numbers, addresses and e-mail. We will not sell or give it to marketers and will only use it to contact you when needed.

PLEASE RENEW YOUR MEMBERSHIP NOW !

As a gentle reminder, please remember that your membership year runs from January 1st through December 31st. So, those who renewed late will need to do so again at the end of this year. We always assume that you will renew, so we send a grace 'C' Notes in January. We don't want you to miss an issue after the deadline for mailing, when you are a few days late. Your dues date of expiration is printed after your name on the mailing label on the back cover.

NOTE ABOUT PRIVACY POLICY:

We do not sell or share your e-mail address and other information, nor will we use it for anything that is not related to AMGCRA.

"Bill and Karen Marshall are new members of the American MGC Register, with the recent purchase of their 1968 MGC Tourer. They are experienced in the MG community, with travel to 37 states to various MG events in their 1957 MGA roadster. Karen and Bill recently completed a 2,000+ mile round trip in their MGC to attend the NAMGAR GT held in Memphis, TN, this past June. Our MGC's rejuvenation was finished just in time for Memphis; but, too late for Pensacola. We'll see you in Dayton for CBA 44. The Marshalls look forward to becoming active members of the MGC community."

Our 'C' event of *Brutal Aggressives*, CBA 44, will be held the first weekend in August, 2024, hosted by Lois and Dave Gribler, members #986, in conjunction with the *British Car Day in Dayton, Ohio*.

Membership in the AMGCRA might just be the best deal you'll ever get. Renew now!

Your dues entitle you to quarterly issues of 'C' Notes; membership benefits of The MG Car Club, UK; member participation in the annual meeting of the 'C' event of *Brutal Aggressives*; and, membership in the largest and oldest MGC community in North America.
